**NOTES:**

This is a very low time, no damage history G450 in excellent condition. It is fully programmed, has DirecTV, WiFi with Talk & Text and is maintained to the highest standards. It is on EJM's certificate now and could continue to be an excellent charter aircraft for the next owner.

All inspections are current, Gulfstream just completed the 144 Month Inspection less than 30 hours ago and the aircraft can be put into immediate service by the new owner.

INTERIOR:

This G450 has the 14 passenger Universal Aft Galley cabin arrangement. The cabin offers a forward 4-place club followed by a mid-cabin right side 4-place divan opposite a 2-place club setting. The aft seating features a 4-place conference group opposite a credenza and is followed by a fully equipped aft galley. There is a forward and aft passenger lavatory.

The cabin chairs each have a 7" LCD sidewall mounted video monitor, a 17" video monitor over the aft section credenza and a 20" video monitor on the forward cabin bulkhead. Passengers can enjoy DirecTV, watch GOGO Vision or watch outside the aircraft with the External Camera.

All individual chairs and the divan are covered in beige leather complemented by neutral colored diamond patterned carpet. The cabinetry is a high gloss, dark colored finish accented by brushed gold plating. All are in excellent condition.

EXTERIOR:

New Paint by Duncan Battle Creek in June 2020. The exterior is a handsomely elegant paint design. Base coat is Matterhorn White and the striping is a Deep Metallic Blue.
